**Course Title: Integrated Science 2, Room 104, Mrs. Murray:
murrayj@newmarket.k12.nh.us**

Course Description: Integrated Science 2 is grade 7 science.

Course Objectives: Being prepared to use evidence and data to support and prove beliefs and theories.

Materials: Notebook paper, pencils, hand-held pencil sharpener, ChromeBook and charger

Evaluation and Grading Policy: Grade reporting provides an accurate reflection of what each student understands and is able to demonstrate through formative and summative assessment measures. The final average is calculated using a point system. The higher the value attainable, the more weight the assignment will carry.

Assessment: Projects are the basis of our work. Assessments (test) are announced a minimum of one week in advance. Study guides are always provided.

Course Policies and Expectations: The use of technology is required. Absence results in classwork and homework make up requirements, please plan accordingly. Respect, Cooperation and Responsibility are expected.

Course Calendar: Cellular Respiration and Photosynthesis, Human Body Systems, Weather and Climate, Geological Forces, Earth Science, Light and Optics, Energy and Forces, energy in the ecosystem, Independent Study

Helpful Hints: No student is to have family harmony interrupted by homework heartaches. Ask me! Anytime! School email is checked first thing in the morning and last thing in the evening.
